

100% HUMAN HAIR PRODUCT CATALOGUE

Lace Collection

Professional lace toppers and lace top wigs for brands, wholesalers, distributors and salons.

QINGDAO, CHINA | OEM | PRIVATE LABEL

Seven product families. One focused lace collection.

Compiled from the supplied product presentations and the current Prime Human Hair website catalogue. Repeated colour and style views are grouped under the same construction.

01 HD Lace Hairline Topper

Fine front lace for a natural-looking hairline.

02 Mono Lace Hair Topper

General mono lace construction with clip attachment.

03 3 x 5 Mono Lace Topper

Compact coverage for part-line enhancement.

04 6 x 7 Mono Lace Topper

Expanded coverage with multiple colour references.

05 Long Mono Lace Topper

40-inch reference with a 6 x 7 base.

06 5 x 7 V-Part Mono Lace Topper

V-part construction for flexible blending.

07 Lace Top Human Hair Wigs

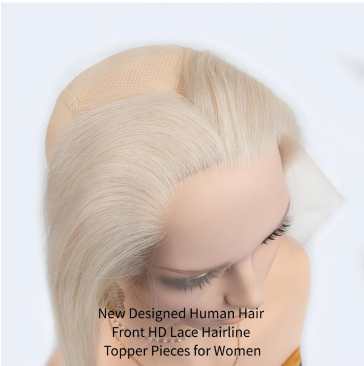

Ten style and colour references from the website range.

LACE TOPPER 01

HD Lace Hairline Topper

Confirm the details that define the product.

The catalogue shows available product directions. Final specifications are reviewed for every quotation and approved before bulk production.

HAIR MATERIAL	100% human hair; selected according to product, colour target, performance and price positioning.
BASE CONSTRUCTION	HD lace, mono lace, V-part mono lace or lace top wig construction as applicable.
BASE SIZE	3 x 5, 5 x 7 and 6 x 7 inch references shown; other sizes subject to feasibility.
LENGTH	Custom by product and material. A 40-inch topper reference is included in this collection.
COLOUR	Natural, rooted, blended and custom shades subject to material assessment and sample confirmation.
TEXTURE AND DENSITY	Straight, wave and other directions can be discussed. Final density depends on the construction.
ATTACHMENT AND CAP	Clip configuration for toppers and cap details for wigs are confirmed by product.
PRIVATE LABEL	Labels, product cards, bags, boxes and other agreed packaging can be developed.
